

# ANNIE BUI

Chaska, Minnesota

Phone: 952-217-6694 | Email: [buixx185@gmail.com](mailto:buixx185@gmail.com)

LinkedIn: <https://www.linkedin.com/in/anniebui1/>

Portfolio: <https://simplyannzz.github.io/simplyannz-web-portfolio/>

## TECHNICAL SKILLS

**Softwares/Platforms:** Apple iOS, VScode, Github, Git

**Software Languages:** HTML5, CSS3, Javascript, JQuery, Bootstrap, NoSQL, Node.js, MySQL, MongoDB, Express, Handlebars.js, and ReactJS

## PROJECTS

### Chef-able

<https://github.com/simplyannzz?tab=repositories> || <https://simplyannzz.github.io/chef-ableAnnie/>

- Engineered and launched Chef-able, revolutionizing the culinary experience for time-strapped home chefs; consolidated recipes, meal plans, and shopping lists into one user-friendly app, saving users an average of 3 hours per week
- Develop wireframe, branding, coding/development of the AboutU section of the project
- HTML, CSS, Javascript, server API

### Mobile Chef

<https://github.com/andgrand1/mobileChef> || <https://mobilechef-2efd1b941ab6.herokuapp.com/>

- When fully complete it will be the solution to most food delivery apps and services, a modern, user-friendly, secure and flexible payment option, and customizable to individuals.
- Develop wireframe, branding, coding/development for the front-end of Mobile Chef
- Node.js, Express.js, Handlebars.js, MySQL, Cleaves.js, and MVC model

## RELEVANT EXPERIENCE

### Web Design Intern

June – September 2022

*Conwed*

Maumee, Ohio

- Coordinate with team members, as well as product development, sales, and marketing on key project deadlines
- Assist with creating wireframes, storyboards, user flows, process flows and site map to communicate interaction and design ideas
- Create prototypes and experiment with new technologies and features as assigned

## ADDITIONAL EXPERIENCE

### Early Education Teacher

September 2021 – Current

*Riley Crossing Childcare*

Chanhassen, Minnesota

- Developed engaging activities to foster key language, social and motor skills amongst 20 pre-kindergarten children, yielding enhanced attention spans & cognitive development.

- Facilitated individualized learning plans for each student, establishing positive behavioral habits to foster successful transitions into kindergarten; resultantly increasing school preparedness & readiness by 40%.

## EDUCATION

**Certificate in FullStack Bootcamp:** University of Minnesota, Minneapolis, Minnesota

*June-November 2023*

A rigorous 24-week boot camp focused on project-based learning of all things web development. Covering lots of technologies and languages such as HTML5, CSS3, Javascript, JQuery, Bootstrap, NoSQL, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS (MERN and RESTful practices).

**BFA in Graphic Design and Marketing:** University of Minnesota Duluth, Duluth, Minnesota
